

Dear guests, we look forward to welcoming you to

Restaurant Konoba BG*

(= bei Galic/ Galic's Konoba)*

NEW CROATION CUISINE

People gather in Konobe today, as they have always done, to eat and drink, to relax and celebrate.

Originally, Konobe were small wine cellars, where wine was drunk and fresh fish, cheese and dried ham were served, where music was played and songs were sung. People came together in Konobe to share a meal in a warm and pleasant atmosphere. Enjoying regional food and drink in the Konobe was to wholeheartedly embrace local tradition.

The Croatian word "Konoba" literally translates as "cellar". These cellars are predominantly situated on the coast of the Adriatic Sea, with the largest number of Konobe to be found in Dalmatia.

Our restaurant aims to create this distinctive atmosphere of the Konobe for you to relax and enjoy our carefully prepared food and drinks. We are really looking forward to introducing you to the atmosphere of a cosy Konoba. Guten Appetit!

*Warmest wishes,
The Galic family and staff*
